AZPerio Announces the Opening of a Fifth Office in Gilbert

The board-certified periodontists and compassionate health care teams of AZPerio announce the opening of a fifth location to better service patients and the community with specialized dental procedures.

Gilbert, AZ, August 26, 2013

AZPerio, a Phoenix Magazine Top Dentist in the periodontal category, is pleased to announce their expansion to a fifth office in Gilbert, offering the same great specialized dental services as their other offices. The new location will allow AZPerio to better serve referring practices and their patients in Gilbert and the surrounding communities. The new office is located at 2080 East Williams Field Road, Suite 104 in Gilbert, Arizona.

Dr. Randy R. Fitzgerald started providing care for patients at the Gilbert office on August 13, 2013, offering patients comprehensive care and innovative treatment options for periodontal disease, gum surgery and the replacement of missing teeth, including dental implants and "Teeth in A Day". Dr. Randy Fitzgerald is a highly trained Diplomate of the American Board of Periodontology.

For more information or to schedule an appointment, call (480) 706-0777 or visit <http://www.AZPerio.com>.

About AZPerio

The Periodontists of AZPerio are specialty-trained and board-certified in periodontics. They and their staff are dedicated to improving the quality of life of each of their patients through the compassionate treatment of a variety of complex dental conditions. AZPerio's philosophy of care is to improve patients' quality of life, in close collaboration with referring dentists, using innovative technologies and evidence-based techniques to optimize outcomes. Offering a comprehensive spectrum of therapeutic options, AZPerio is one of the nation's premier providers of periodontal services, a practice nationally recognized for its commitment to the highest standards of patient care, serving patients and their referring practices throughout the greater Phoenix metropolitan area for more than 25 years.
